Dr. Lenoue, III & Dr. Makoto Yoshino have chosen to opt-out of Medicare. A provider who has chosen to opt-out is not required to submit claims on behalf of beneficiaries and is not subject to Medicare limits on charges for covered services.

This contract is between \_\_\_\_\_ (patient name) and Dr. Philip Lenoue, III and Dr. Makoto Yoshino.

- 1) Your Physician has not been excluded from Medicare under sections 1128, 1156 or 1892 of the Social Security Act.
- 2) You and your Physician agree that you are not currently facing an emergency or urgent health care situation.
- 3) By signing this contract, you are agreeing to the following:

  - d) Understand that Medicare payment will not be made for any items or services furnished by your Physician that would have otherwise been covered by Medicare if there was no private contract and a proper Medicare claim had been submitted.
  - e) Enter this contract with the knowledge that I have the right to obtain Medicare-covered items and services from a physician and/or practitioner who has not opted-out of Medicare, and I am not compelled to enter private contracts that apply to other Medicare-covered services furnished by other physicians or practitioners who have not opted-out.
  - f) Understand that Medigap plans do not, and that other supplemental plans may elect not to, make payments for items and services not paid for by Medicare.
  - g) Will receive or have received a copy of this contract before items or services are furnished to me under the terms of this contract.

The expected opt-out period is ongoing unless otherwise stated.

We will retain the original contract (original signatures of both parties required) for the duration of the opt-out period, supply CMS with a copy of this contract upon request and understand that the current private contract remains in effect unless otherwise noted.
